

1962 Lancia Flaminia Pinninfarina coupe

£11,950

1962 Lancia Flaminia Pinninfarina coupe.

LHD 2.5 litre V6 single carb. MOT'D and driving well. This very original Flaminia coupe was imported from Johannesburg in 2019 as a sound running restoration project. Bought by the current owner in 2020, he commissioned Lancia specialist Richard Thorne classic cars to get the car roadworthy. Which included all new brake calipers, servo and master cylinder rebuild plus re-furbished wheels with new Blockley tyres and 123 electronic ignition being the major jobs. Although MOT and road fund licence exempt the car was put through an independent MOT and is a joy to drive with lovely original tan leather interior, originally silver, the tan interior was also paired with Grigio Newmarket a lovely metallic gunmetal which suits the car perfectly. A new owner can choose whether to get the car painted now or just enjoy it as it is.
