£18,500

1985 Morgan 4/4 4 seater

A well presented 1984 4 seater, painted in Cardinal red with red interior and a contrasting black roof.

Restored in 2021 as a lockdown project, it including a new chassis, hard chrome kingpins, SSL RS front suspension, kingpin oiler kit, Panhard rod, new leaf springs, adjustable rear dampers, Rutherford rear shock absorber conversion etc... There really is too much to list.

The engine was fully serviced and detailed as well as having a cambelt and water pump, most engine gaskets and an oil pump, a new 3 piece clutch was installed, all braking components gone through or replaced a new starter motor etc...

It was fitted with a stainless steel fuel tank at the time and fully repainted, although the paint is showing some signs of micro blistering and deterioration.

More recently it has benefited from 4 new tyres, a full service and a replacement rear main seal by Brands Hatch Morgan.

The previous owner estimated around a £25000 total spend.

4 owners from new and showing just over 36000 miles showing on the clock.
